MAIL STOP PETITION  
COMMISSIONER FOR PATENTS  
P.O. BOX 1450  
ALEXANDRIA, VA 22313-1450

**SUPPLEMENT TO PETITION FOR REVIVAL OF AN  
APPLICATION FOR PATENT ABANDONED UNINTENTIONALLY  
UNDER 37 CFR §1.137(b)**

Sir:

This Supplement to the Petition is responsive to the Decision on  
Petition mailed August 17, 2006.

1. This application became abandoned after February 27, 2004.

2. This application became abandoned because of the failure to timely file a rescission of a non-publication request following the filing on January 13, 2004 of a PCT application from a CIP application which claimed priority to the common parent application of the present application. The delay in filing a rescission of the non-publication request was unintentional. The entire delay in filing the required rescission from the due date until the filing of this Supplement to the Petition was unintentional 37 C.F.R. §1.37(b)(3).

3. No response is required to an outstanding official action.

4. Fee (37 C.F.R. 1.17(m)) for the Petition for Revival was previously paid.

Authorization is hereby made to charge any additional amount due or credit any over-payment to Deposit Account No. 19-2555.

A duplicate of this Supplement to Petition is attached.

Respectfully submitted,  
Albert K. Chin
